Summary

This remuneration approval report provides you with the information that the Corporations Act 2001 (“Act”) and the Code of Professional Practice published by the Australian Restructuring Insolvency and Turnaround Association (“ARITA”) requires creditors to receive to make an informed decision regarding the approval of our remuneration for undertaking the Liquidation of Petra Solid Pty Ltd (In Liquidation) ACN 669 249 414 (“the Company”).

We are asking creditors to approve the following remuneration and disbursements:

Period	Remuneration (excl GST)
Remuneration for the period 30 December 2025 to 22 March 2026	\$23,726
Estimated remuneration from 16 March 2026 to completion of the Liquidation	\$50,000
Total	\$73,726

We estimate the total cost of this liquidation will be \$73,726, for the period 30 December 2025 to finalisation of the liquidation. This has increased from our previous estimate primarily due to the nature and complexity of the liquidation, particularly the extent of the investigations required into the Company’s affairs.

Declaration

We, Hayden White and Daniel Woodhouse, of FTI Consulting, have undertaken a proper assessment of the claims for remuneration for the appointment as Liquidators of the Company in accordance with the law and applicable professional standards. We are satisfied that the remuneration claimed is in respect of necessary work, properly performed, or to be properly performed, in the conduct of this appointment and further, that the disbursements that have been incurred in the conduct of the external administration are necessary and proper.

We have reviewed the work in progress report for the Liquidation to ensure that remuneration is only being claimed for necessary and proper work performed.

Remuneration sought

The remuneration we are asking creditors to approve is summarised as follows:

For	Period	Amount \$ (excl GST)	Applicable rates	Timing of payment
Work already completed	30 December 2025 to 22 March 2026	\$23,726	Provided in our IRN dated 14 January 2026	Once funds are available
Future work	23 March 2026 to finalisation	\$50,00	As per the attached hourly rates	Once incurred and funds are available
Total		\$73,726		

Details of the work already done and future work that we intend to do are **enclosed** at **Schedule A**.

Schedule B includes a breakdown of time spent by staff members on each major task for work we have already done.

Actual resolutions to be put to Creditors are included at **Schedule C** for your information. These resolutions also appear in the proposal form provided to you.

Disbursements

We are not required to seek creditor approval for costs paid to third parties or where we are recovering a cost incurred on behalf of the administration, but we must provide details to creditors. Details of these amounts are included in the attached Receipts and Payments.

We are required to obtain creditors' consent for the payment of a disbursement where we, or a related entity, may directly or indirectly obtain a profit.

For more information about disbursements, please refer to the Initial Remuneration Notice sent to you on 14 January 2026.

We are not currently seeking approval for disbursements.

Likely impact on dividends

The Act sets the order for payment of claims against the Company and it provides for remuneration of the Liquidation to be paid in priority to other claims. This ensures that when there are sufficient funds, the Liquidation receives payment for the work done to recover assets, investigate the company's affairs, report to creditors and ASIC and distribute any available funds.

Based on the information presently available, the uncertainty as to the collection of the Company's debtor assets and our investigations undertaken to date, we are unable to provide a dividend estimate at this stage of the Liquidation. If we do declare a dividend, any creditor whose claim has not yet been admitted will be contacted and asked to submit a proof of debt.

Funding received for remuneration and disbursements

As noted in our report to creditors, we have received an upfront payment from the Company's Director into FTI Consulting's Trust account, in the amount of \$160k, as an indemnity for costs incurred in the Liquidation and the liquidation of the other entities referred to in our report to creditors. We note that the payment of any remuneration of the Liquidators' is subject to creditor approval.
