Proposal for creditor approval

Resolution 1 – Liquidators’ retrospective remuneration for the period 4 December 2025 to 15 February 2026 (inclusive)

“That the remuneration of the Liquidators and their staff, for the period from 4 December 2025 to 15 February 2026 (inclusive), calculated at the hours spent at the rates detailed in the Initial Remuneration Notice provided to creditors, is approved for payment in the amount of \$81,566.00, exclusive of GST, to be drawn from available funds immediately or as funds become available.”

Reasons for the proposal and the likely impact it will have on creditors if it is passed

The proposal is being put to creditors to approve remuneration as allowed under law.

The proposal if passed will minimise the cost of approving remuneration to the Liquidation, which would otherwise require a meeting of creditors or court application to be approved – which can be costly.

Remuneration of the Liquidators is to be paid in priority to other claims under the Corporations Act. This ensures that when there are sufficient funds, the Liquidators receives payment for the work done to recover assets, investigate the company’s affairs, report to creditors and ASIC and distribute any available funds. Even if creditors approve my remuneration, this does not guarantee that I will be paid, as I am only paid if sufficient assets are recovered.

If sufficient assets are recovered, there may be funds available to pay a dividend to creditors, however this is affected by many variables including the value of assets and complexity of realising those assets, the level of creditor enquiries, the priority of claims (including employee claims) and the total value of creditor claims to be admitted to participate in a dividend. There is not expected to be sufficient funds to pay a dividend to creditors.

My remuneration approval report, which has been provided with this notice provides more detailed information on the remuneration I am seeking to be approved.
