#### **Summary**

This remuneration approval report provides you with the information that the *Corporations Act 2001* ("Act") and the Code of Professional Practice published by the Australian Restructuring Insolvency and Turnaround Association ("ARITA") requires creditors to receive to make an informed decision regarding the approval of our remuneration for undertaking the voluntary administration of Calidus Resources Limited (Receivers and Managers Appointed) (Administrators Appointed) ACN 006 640 553 ("the Company").

We are asking creditors to approve the following remuneration and disbursements:

Appointment type	Period	Remuneration (excl GST) \$				
Voluntary Administration	28 June 2024 to 15 September 2024	195,454.00				
Voluntary Administration	16 September 2024 to the conclusion of second meeting of creditors	150,000.00				
And if the creditors resolve the	nat the company execute a Deed of Company Arrangement					
Voluntary Administration	From conclusion of the second meeting of creditors to the execution of the DOCA	100,000.00				
Deed Administration	From execution of DOCA to the conclusion of the Deed Administration	200,000.00				
Creditors' Trust	From commencement to the conclusion of the Creditors' Trust	30,000.00				
Or if the creditors resolve that the Company be wound up in liquidation						
Liquidation	From conclusion of the second meeting of creditors to conclusion of the liquidation	130,000.00				

We estimate that the total cost of this Voluntary Administration will be \$445,454.00. This has increased from our previous estimate because of the extensive engagement with key stakeholders regarding the sale and recapitalisation process including the Receivers, the Senior Lender, other interested parties and our lawyers.

#### **Declaration**

We, Daniel Woodhouse and Hayden White, of FTI Consulting, have undertaken a proper assessment of the claims for remuneration for the appointment as Voluntary Administrators of the Company in accordance with the law and applicable professional standards.

We are satisfied that the remuneration claimed is in respect of necessary work, properly performed, or to be properly performed, in the conduct of this appointment and further, that the disbursements that have been incurred in the conduct of the external administration are necessary and proper.

#### Remuneration sought

The remuneration we are asking creditors to approve is summarised below.

We will only seek approval of resolutions for the Deed of Company Arrangement ("DOCA") if creditors agree to the proposal offered. Similarly, we will only seek approval of the resolution for the liquidation if creditors vote to place the Company into liquidation.

#### **Disbursements**

We are not required to seek creditor approval for costs paid to third parties or where we are recovering a cost incurred on behalf of the administration, but we must provide details to creditors.

We are required to obtain creditors' consent for the payment of a disbursement where we, or a related entity, may directly or indirectly obtain a profit. For more information about disbursements, please refer to the Initial Remuneration Notice sent to you on 2 July 2024.

We are not currently seeking approval for disbursements.

#### Likely impact on dividends

The Act sets the order for payment of claims against the Company and it provides for remuneration of the Voluntary Administrators to be paid in priority to other claims. This ensures that when there are sufficient funds, the Voluntary Administrators receives payment for the work done to recover assets, investigate the company's affairs, report to creditors and ASIC and distribute any available funds.

Please refer to the Administrators' report prepared pursuant to Insolvency Practice Rules 75-225 for information on the likelihood of a dividend to the Company's creditors, which incorporates remuneration approval sought from creditors in this remuneration report.

#### Summary of receipts and payments

There have been no receipts and payments during the course of the administration.
