(ALL ADMINISTRATORS APPOINTED)

("THE COMPANIES" or "CALIDUS GROUP")

I refer to the appointment of Daniel Woodhouse and I, Hayden White, as Joint and Several Voluntary Administrators ("Administrators") of the Companies on 28 June 2024 and to the Administrators' Report pursuant to Section 75-225 of the Insolvency Practice Rules (Corporations) 2016 dated 18 September 2024 ("VA Report") which is available online via the Creditors Portal maintained by the Administrators at: <https://www.fticonsulting.com/creditors/calidus-resources-group>

PURPOSE OF THIS CIRCULAR

The purpose of this circular is to provide creditors with information about some material developments in respect to the administration of the Companies since the release of the VA Report on 18 September 2024, and to ultimately ensure creditors are properly informed of the circumstances of the Companies before they cast their vote on a resolution for the future of the Companies, or alternatively an adjournment to the meetings, at the upcoming concurrent Second Meetings of Creditors of the Companies which will be held at 10:00AM (AWST) on Friday, 27 September 2024 using virtual meeting facilities ("Meetings").

UPDATE SINCE THE VA REPORT

Whilst the Administrators are aware the alternate DOCA proposal that was detailed as "NBIO A" at section 5.2 of the VA Report ("Directors' DOCA Proposal") is continuing to be progressed in the period since the release of the VA Report, at the date of this circular, the Administrators remain of the view that it has not been adequately progressed to provide the Administrators with sufficient comfort that it is:

- (a) capable of completion; and
- (b) provides a superior return for creditors than the DOCA proposal detailed and recommended by the Administrators in sections 7 and 9 of the VA Report (i.e. the “West Coast DOCA Proposal”).

Creditors will be advised accordingly, should this position change, either prior to, or at the meeting of creditors.

Further, on 24 September 2024 the Administrators received correspondence from West Coast Lending Pty Ltd (“Secured Lender”), expressing concern that the Administrators would seek to use their powers to adjourn the Meetings to provide further time to determine if the Directors’ DOCA Proposal was capable of completion. The Secured Lender, who has been funding the maintenance of the Calidus Group during the receivership and administration to date and is in control of the Warrawoona Gold Project via its appointment of Richard Tucker and John Bumbak of Kordamentha as Receivers and Managers to Calidus, Keras Pilbara and Calidus Blue Spec (“Receivers”), has further advised the Administrators that in circumstances where the Meetings are adjourned, it would instruct the Receivers to **immediately** proceed with implementation of full care and maintenance of the Warrawoona Gold Project, including shutting down all mining activities and processing of the low-grade stockpiles.

The Secured Lender further expressed its view that *“the result of the transition [to full care and maintenance] will be that a number of stakeholders will be adversely impacted; in that employees are likely to lose their employment and suppliers are likely to lose the financial benefit of their supply agreements, and potentially have to incur costs associated with de-mobilisation of workforce and equipment”*.

The Administrators have subsequently discussed the implications of these potential instructions (if forthcoming) with the Receivers, who have communicated a similar view on the likely implications of such instruction to those views shared by the Secured Lender.

LIKELY IMPACT OF MATERIAL DEVELOPMENTS ON EMPLOYEES, SUPPLIERS AND CREDITORS

The Administrators consider it is highly possible, if not likely, the Secured Lender will follow through with its communicated intention in circumstances where the Meetings are adjourned.

The Administrators consider the implications of a transition of the Warrawoona Gold Project to full care and maintenance may result in the following:

1. a large portion of the Calidus Group workforce will have their employment terminated;
2. suppliers are likely to lose the financial benefit of their supply agreements, and potentially have to incur costs associated with de-mobilisation of workforce and equipment;
3. the DOCA Proponent’s previously communicated intention to restart full mining operations at the Warrawoona Gold Project as soon as practicable following completion of the DOCAs will likely be delayed and the timing of any restart of mining

operations becomes less certain; and

4. the return to creditors, when compared to the certainty of returns provided under the West Coast DOCA Proposal and detailed at section 8 and Appendix 10 of the VA Report, becomes both less certain possibly less, in circumstances where:
 - a. an alternate DOCA Proposal which ascribes superior consideration (after satisfaction of additional costs to completion) is not concluded;
 - b. the West Coast DOCA Proposal is withdrawn, or the consideration previously provided by the West Coast DOCA Proposal is reduced as a result of additional costs incurred due to the delay to completion; and / or
 - c. the Companies (or select companies within the Calidus Group) are wound up in liquidation.

IMPACT OF DEVELOPMENTS ON ADMINISTRATORS' RECOMMENDATION FOR FUTURE OF COMPANIES

In light of the above, the Administrators recommendation to creditors of the Companies set out in section 9 of the VA Report remains unchanged.

The Administrators remain of the view that it is in the interests of creditors to execute the DOCAs to give effect to the West Coast DOCA Proposal, as it is likely that creditors will receive a greater return under the West Coast DOCA Proposal than they would if the Companies were immediately wound up (i.e. the only other option that is currently available).

GUIDANCE NOTES FOR COMPLETING PROXY AND PROOF OF DEBT OR CLAIM

FORMS APPOINTMENT OF PROXY FORM

A person can appoint another person to attend the meeting on their behalf by completing the Form of proxy.

If the creditor is a company or a firm, a person needs to be appointed to represent the company. This representative needs to be appointed by completing the Form of Proxy in accordance with section 127 of the Corporations Act 2001 ("the Act"). Alternatively, the appointed person must be authorised to act as a representative for the company per section 250D of the Act.

The Form of proxy is valid only for the meeting indicated (or any adjournment).

You may appoint either a general proxy (a person who may vote at their discretion on motions at the meeting) or a special proxy (who must vote according to your directions). If you appoint a special proxy, you should indicate on the form what directions you have given. In many instances, there will be a box or section on the proxy form where you can mark how you want your proxy to vote for you.

If you are unable to attend the meeting and you do not have a representative who can attend on your behalf, you may if you wish, appoint any person, including the Chairperson of the Meeting, as either your general or special proxy.

FORMAL PROOF OF DEBT OR CLAIM FORM

The proof of debt submitted during an Administration is used for voting purposes at any meetings of creditors and also to help establish the overall level of creditor claims in the administration.

Admission of your proof for voting purposes does not mean that the Administrator has agreed with your proof for the purpose of making a dividend distribution.

You should include a description of how your debt/claim arose, whether you are claiming a security interest in property and if you have any guarantees and indemnities for the debt. If you need more space, you can attach any additional details you wish to include – just make sure that you mention this on the form so we know what you've attached and how many pages.

You should provide supporting documents that substantiate what you are owed by the Company. This may include things like account statements, unpaid invoices and their corresponding purchase orders, PPSR registration, agreements/terms of trade, contracts, lease or hire agreements, court order or judgment, guarantee or loan document, emails/other correspondence with the Company.

If you need help in completing the forms or if you are uncertain what information you should attach, please email or telephone the nominated FTI Consulting contact person.
