Proposal for creditor approval

“That the future remuneration of the Liquidators of A.C.N. 160 346 485 Pty Ltd (formerly Secrets Online Pty Ltd) for the period from the commencement of the Liquidation on 30 March 2026 to finalisation of the Liquidation, is determined at a sum equal to the cost of time spent by the Liquidators and their staff, calculated at the hourly rates as detailed in the Liquidators’ Report dated 9 June 2026 provided to creditors, up to a capped amount of \$16,000, exclusive of GST, and that the Liquidators can draw the remuneration from available funds as time is incurred on a monthly basis or as funds become available”.

Reasons for the proposal and the likely impact it will have on creditors if it is passed

The proposal is being put to creditors to approve remuneration as allowed under law.

The proposal if passed will minimise the cost of approving remuneration to the Liquidators, which would otherwise require a meeting of creditors or court application to be approved – which can be costly.

Remuneration of the Liquidators is to be paid in priority to other claims, in accordance with the Corporations Act. This ensures that when there are sufficient funds, the Liquidators receive payment for the work done to recover assets, investigate a company’s affairs, report to creditors and ASIC and distribute any available funds. Even if creditors approve our remuneration, this does not guarantee that we will be paid, as we are only paid if sufficient assets are recovered.

Our remuneration approval report which has been provided with this notice provides more detailed information on the remuneration we are seeking to be approved.
