

Financial Reporting Valuation Services

FTI Consulting provides independent valuation services for financial reporting requirements under IFRS and A-IFRS.

WHY FTI CONSULTING

Independence

We are not auditors and are free from the conflicts of interest that arise from audit relationships.

Global valuations practice

Our team of senior experts, based around the world in every major region, is multilingual, and is a valuable source for specialized valuation opinions.

Local expertise

Our Australian valuations team includes accredited business valuers, chartered accountants, CFA charter holders and MBAs with prior experience as equity analysts, bankers, corporate advisers, asset managers and auditors.

Authoritative valuations

Informed by a disciplined and robust application of accounting economics and finance that can withstand the highest scrutiny, and extensive experience across multiple industries and geographies.

Industry insights

700+ global industry specialists who provide industry expertise, technical and market insights, and transaction experience.

Sample experience

Listed insurance brokerage

Valuations for purchase price allocation for the numerous acquisitions made over several years, as well as assistance with the annual impairment testing.

Financial services company

Annual valuations of the convertible notes issued in the numerous rounds of capital raisings since inception of the company.

“The FTI Consulting Reports are “excellent”. The Board takes a keen interest and “are all over it” because the Reports are used as a basis for calculating executive remuneration.

The team provides regular communications and are easy to work with.”

CFO

Financial services and funds management business

“FTI was very responsive and produced a high quality valuation opinion report. Clear explanation and evidence was provided to justify their view.”
