

# Business Consulting Services

## South Africa

We lead with our industry expertise, working side-by-side with management, boards of directors and investors to help align business activities to a critical few priorities, striking a balance between short-term and long-term goals.

Focused across the five major elements of the enterprise, our global team of more than 600 highly experienced business transformation professionals provides an expert-driven partnership model to our clients.

*“We are laser-focused on improving efficiency and effectiveness, executing with a balanced approach between short-term benefits and long-term strategic goals.”*

## Our Unique Strengths

### INDUSTRY DEPTH

Our approach is rooted in our industry strength and product depth. Our deep bench of senior-level industry experts understand our clients' challenges, opportunities and competitive landscape.

### HANDS ON

We sit beside our clients, not opposite them. Our teams are lean and fast, in both the assessment and the implementation of our recommendations, and we provide the resources to take the project from start to finish.

### BEST-IN CLASS

We are respectful but bold, with a bias to action. Our fact-based collaborative and analytical approach focused on the client's objectives, culture and working style. Our proven processes and tools allow companies to more efficiently and effectively achieve desired outcomes.

### EXPERT-DRIVEN

Whether you are seeking operational or financial due diligence of a target, or the implementation of a strategy to drive revenue growth and cultural change, we bring on point experts, providing seamless execution of our solutions across the business. We know how to pull the right levers to effect immediate change, while always focusing on the long-term sustainability of the business.
