Economic & Financial Consulting

FTI Consulting is home to one of the world's leading economic and financial consulting practices, helping clients understand today's economic, financial and regulatory opportunities and challenges.

We help clients with their strategic decision-making by providing evidence-based critical insights and analysis on a range of business and public policy issues, disruptive events, and changes to regulatory, legal and market environments.

In this team, you'll be working on:

- Business economics
- Regulatory economics
- Government advisory & public policy
- Energy transition & decarbonisation
