WHY FTI CONSULTING?

Experienced Professionals

The Hospitality, Gaming & Leisure group at FTI Consulting has worked on some of the most high profile real estate/hospitality assets across the spectrum of resorts, casinos, hotels, motels, fractionals/timeshares, golf courses, ski mountains and ancillary leisure activities.

Unmatched Credibility

The FTI Consulting team brings valuable industry expertise and specialized knowledge to every engagement. We have advised owners, creditors and other stakeholders, resulting in maximized value and recovery in all kinds of structured investments, as well as providing qualified experts for litigation and mediation matters.

Spot-on Expertise

We have the experience needed to deal with the intricacies of diverse transactions, including hotel management contracts, franchise agreements, restructuring, sell-side, merger and divestiture.

Track Record

FTI Consulting has numerous recent, relevant successes in hospitality and gaming situations in all segments of the market in all locations.

"Road Tested" Analytical Tools

We quickly assess the situation and provide deliverables significantly faster than other comparable firms as a result of our culture of action and urgency.

Right Team

FTI Consulting has over 150 professionals dedicated to hospitality and real estate throughout the world, from which local teams can leverage their experience on various engagements.

CAPABILITIES

While no two assignments are exactly alike, in all instances our seasoned professionals successfully help clients navigate complicated capital structures, make critical decisions and address unprecedented changes and challenges to their businesses. Given our extensive experience guiding companies through these challenges, we are skilled at:

Expert Testimony and Litigation Support

Assisting organizations faced with the challenges and complexities of litigation by providing expert support and testimony to advance our clients' goals.

Valuation and Fairness Opinion

Facilitating effective negotiations with stakeholders based on an understanding of the key tenants of valuation theories. We maintain various industry designations needed to develop, provide and testify on appraisals.

Due Diligence and Transactions

Offering deep and fundamental understanding of local market dynamics and financial due diligence, transaction services, merger integration and carve-out support.

Restructuring, Bankruptcy and Interim Management

Providing industry-leading turnaround advisory services and strategic advice in regards to receiverships, workouts and Chapter 11 advisory.

IPO Readiness and Shareholder Activism

Providing critical support to CFOs to investigate issues and develop detailed operational work plans to take a company public or in the midst of transformation, such as dealing with investigators, regulators, disgruntled shareholders and other stakeholders.

Asset Management and Business Transformation

Providing detailed independent analysis to identify opportunities to enhance performance and reduce costs. Our team's deep experience in running, financing and assessing hotel, gaming and leisure operations equips clients with much-needed insight and innovative strategies.

Tax Structuring and Compliance

Assist in navigating the evolving complexities of both federal and state tax law specific to the hospitality industry. Our team provides industry specific expertise in tax compliance, tax structuring and planning, and tax due diligence.

Capital Markets Transactions

Addressing issues of liquidity, debt or equity capitalization, restructuring, asset valuation and disposition and management issues.
