Why should students choose a career within FTI Consulting's Data & Analytics team?

From day one, you are working on real data challenges that have a direct impact on high-stakes commercial, regulatory and litigation matters. You gain early exposure to senior leaders and clients, take on meaningful responsibility quickly, and are encouraged to ask questions and develop your thinking. No two matters are the same. Every engagement brings something new to learn, and you are given the space to build and test new approaches using a modern technology stack that includes the latest data and AI capabilities.

What makes FTI Consulting unique?

At FTI Consulting, you have the flexibility and freedom to fulfill your potential by making your own impact and writing the next chapter in your career. We pride ourselves in maintaining our entrepreneurial spirit as we have grown into a global Fortune 1000 company. We are poised for continued growth and opportunities for you to successfully propel your career. We have big ideas and roll up our sleeves to deliver. It's in our DNA.

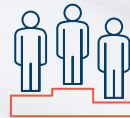

You will benefit from continuous learning and individual skills development, both on the job and in the classroom. Helping you realise your potential and feeling fulfilled in your work is the best way to ensure success — for you, for our clients and for the company.
