

Financial Reporting

Valuation Services

FTI Consulting provides independent valuation services for financial reporting requirements under International Financial Reporting Standards ('IFRS') and Australian Interpretations and Financial Reporting Standards ('A-IFRS').

WHY FTI CONSULTING

Independence

We are not auditors and are free from the conflicts of interest that arise from audit relationships.

Global Valuations Practice

Our team of senior experts, based around the world in every major region, is multilingual, and is a valuable source for specialised valuation opinions.

Local Expertise

Our Australian valuations team includes accredited business valuers, chartered accountants, CFA charter holders and MBAs with prior experience as equity analysts, bankers, corporate advisers, asset managers and auditors.

Authoritative Valuations

Informed by a disciplined and robust application of accounting economics and finance that can withstand the highest scrutiny, and extensive experience across multiple industries and geographies.

Industry Insights

700+ global industry specialists who provide industry expertise, technical and market insights, and transaction experience.
