FTI Consulting resolved to be appointed as liquidator in GNT Group dispute

Nathan Stubing, Matthew Callaghan and Lisa Rickelton of FTI Consulting have been resolved to be appointed as liquidators of GNT Trade DMCC in Dubai, a key entity in the GN Terminal conglomerate.

The liquidators were resolved to be appointed by the provisional liquidator of GN Terminal Enterprises Limited who sees the appointment of a globally recognized investigations consultancy as a key step in protecting the assets of GNT Group.

The liquidators will play an independent role in investigating the company's affairs and actions leading up to their appointment and realizing any assets available for the benefit of stakeholders.
