FTI Consulting has the world's largest and fastest-growing international arbitration expert witness practice. We are present in more arbitration centers and geographic regions than any of our competitors.

International Arbitration Practice

When resolving international disputes, accounting, economic, financial or valuation concerns often arise. The number and scale of such disputes is increasing, as well as the complexity of the issues related to evidence and damages. Now more than ever, in-depth analysis and clear communication with the courts are essential to obtain successful results.

Our Team

Our highly qualified International Arbitration team is made up of the largest group of expert witnesses of any company. Our experts have extensive experience in damage quantification and related services, and are supported by a dedicated team of professionals, industry specialists and emerging experts.

As a result, we understand the complex business and regulatory issues facing our clients and are able to bring in-depth knowledge and analytical rigor to our work that few organizations can match.

Our Trajectory

Our economic and financial consulting practice is a leading provider of services to law firms, businesses, investors and governments in the areas of valuation, finance, economics, forensic accounting, research and regulations. Our experts provide independent advice and expert testimony on damages and related issues during each stage of the dispute resolution process.

Truly Global Practice

FTI Consulting has the largest and fastest-growing international arbitration expert witness practice. We are present in more arbitration centers and geographic regions than any of our competitors. FTI Consulting is rapidly expanding to respond to and anticipate emerging trends in international arbitration. The new practices are directed by and made up of professionals from our founding offices. Additionally, our experts have the ability to work in the local languages of Latin America.

What we do

Damage assessment and expert testimony

FTI Consulting's International Arbitration team works with a global client base from all industries, supported by offices around the world in cities such as Toronto, New York, Washington, D.C., London, Paris, Cape Town, Dubai, New Delhi, Singapore, Hong Kong, Seoul and Melbourne.

Support During the Dispute Resolution Process

Our team has extensive experience in providing specialized financial and economic knowledge to assist clients and the courts.

Our services include:

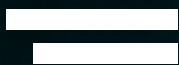

- Providing an initial assessment of the potential value of damage claims and related matters.
- Preparing detailed evaluations and analyses of economic losses for the filing of lawsuits and counterclaims.
- Developing detailed analyses of reports prepared by other experts.
- Assessing damage mitigation issues.
- Assisting clients in the presentation and identification of required documents.
- Preparing expert reports.
- Giving oral testimony during hearings in English and Spanish.
- Assisting with additional activities for the hearing and after it.

Damages Assessment Before the Main Courts

Our experts regularly present oral and written evidence on quantification of damages and regulatory issues in commercial and investment treaty arbitrations before courts around the world.

We have acted before courts constituted by:

- | | |
|-----------------------------|------------|
| — AAA | — AAA-ICDR |
| — CRCICA | — DIAC |
| — DIS | — HKIAC |
| — ICC | — CIADI |
| — Iran-U.S. Claims Tribunal | — LCIA |
| — PAC | — PCA |
| — SCAI | — SCC |
| — SIAC | — UNCITRAL |

Each year we are selected to act as independent experts or advisers on matters of damages, valuations, accounting and finance in more than 95 new international arbitration cases.

FTI Consulting has the largest and most experienced team of expert witnesses specialized in international arbitration.

Our Team: The FTI Difference

Vast Witness Experience

FTI Consulting's International Arbitration practice is the largest, most experienced and most diverse group of expert witnesses.

- Our experts have given oral testimony before courts or tribunals more than 650 times, equivalent to a total of more than 650 days of experience testifying.
- Each year we are selected to act as independent experts or advisers on matters of damages, valuations, accounting and finance in more than 95 new international arbitration cases.

Extensive Technical Capabilities

The International Arbitration experts at FTI Consulting possess a wide variety of skills, experiences and qualifications spanning the areas of accounting, economics, finance, valuations, statistics and strategic business analysis. Many of them have held senior positions in major accounting firms, regulatory bodies, government or private-sector companies in a wide range of industries.

A Diverse, Experienced Team

FTI Consulting's International Arbitration practice has the support of 175 professionals. Our support team has strong academic and professional capabilities. We recruit staff from leading universities and proactively support our team to obtain professional qualifications (CPA, ABV, CFA, ASA, CBV), and we hire experienced accountants (from Big 4 firms), economists, MBAs, econometricians, PhDs, former investment analysts and industry specialists. Additionally, the FTI Consulting team has specialists who speak the native language or have mastered 31 other languages.

Accurate Communication

Our experts present clear and concise independent reports and testimonials. We understand the importance of clear communication with the parties and the courts, and having the relevant issues carefully worded and explained.

We regularly collaborate with law firms and associated foundations, assisting lawyers in developing their legal experience by designing and presenting specialized training for expert examination. Our experts participate in the oral examinations during these training sessions.

Leading Expert Witnesses in International Arbitration

The professionals at FTI Consulting are widely recognized as the best expert witnesses in international arbitration. FTI Consulting has the strongest and most in-depth team of experts in international arbitration in the market. Our experts are highly recognized by the international legal community.
